

## **New Online Application For Free and Reduced Price Meals For Students**

Applying for free and reduced price meals for students just got a whole lot easier for parents in the Osceola School District. Campus Grille, the district's food service department, has now launched a new online application process, which is faster and more secure than having parents fill out paper applications as in the past.

Parents are encouraged to begin applying now for the 2010/2011 school year by logging on to **[www.osceola.k12.fl.us](http://www.osceola.k12.fl.us)**, and clicking on the *free and reduced meal application* link. There are numerous benefits to applying electronically:

- The Campus Grille Department is able to provide parents with faster service;
- There will be no lost applications;
- Confidential personal information will be completely secure;
- Parents can now track the progress of their application, with approval given in one to two days; and
- Parents only need to fill out one application for the entire household.

In light of the volume of applications that come in at the beginning of the school year, parents are encouraged to apply early and utilize this new online resource. Computers, to complete the application, will be available for parent use in the Campus Grille Department, located at 817 Bill Beck Boulevard (Building 2000) in Kissimmee, Monday - Friday, 8:00 a.m. - 4:30 p.m.
